Get ready for the biggest and best pet walk in Seminole County!!! **THE 11TH ANNUAL WIGGLE WAGGLE WALK**

Saturday, October 22nd
Cranes Roost, Uptown Altamonte

Lace up those walking shoes on and grab your leash. It's time to wiggle, waggle and walk for the animals in Central Florida!

Walk as a "Pack"

A Pack is a group of two or more people who walk together (friends, neighbors, colleagues, classmates, family members, groups, and so on). Packs must raise at least \$500 (for example, five people raising \$100 each). Each Pack will get its name on a sign to carry at the walk, a group photo, and pack members will qualify for individual premiums and prizes! So grab your friends and jump on-line today at www.SeminolePets.com to start your very own "Pack" page!

Walk as an Individual

A minimum donation applies to all walk participants. Adults - \$25, Children (12 or younger with paid adult) - \$10. The more money a walker raises, the more "goodies" or premiums the walker earns. Just remember, premiums are while supplies last, so you may want to pre-register! (Look at our website www.SeminolePets.com for information on how to register and track your donations.) The top "FUNdraisers" in both individual and pack categories receive additional premiums!

Be a Volunteer at the Walk

Want to lend a helping hand? We are looking for people with different skills to help with everything from set up, to registration, to the food table, handing out premiums, and even lending

The SPCA of Central Florida is planning the 11th Annual "Wiggle Waggle Walk" a walk for the animals and with the animals! All family members are invited to help raise money for a very good cause. And remember all funds stay local, right here in the heart of Central Florida.

This year there will be even more surprises and things to bark about! The morning will start with registration at 9 am and the walk will step-off at 10 am. And from 10 am – Noon, Cranes Roost at Uptown Altamonte, will be brimming with fun and educational pet demonstrations, interactive contests and lots of giveaways you won't want to miss. In addition, local "Business Buddies" will be on hand with plenty of information on the latest animal care and pet-related merchandise for your wet-nosed friends!

Mark your calendar today and visit www.SeminolePets.com to learn more about this exciting event! You won't want to miss the biggest and best pet walk in Seminole County! The Walk, which welcomed more than 1,000 people and 600 dogs in 2010, is getting bigger and better every year! This year our goal is to raise \$100,000, but we really need your help!

Want to learn more about "Wiggle Waggle Walk" in general? Here are just a few ways you can lend a hand & or a helpful paw at this year's event:

a helping hand as we tidy up the park! To become a volunteer, call Deb Morrow at 407-936-3313 or deb@OrlandoPets.org

It's in the bag & "Meow March" 2011

It's official! The cats and kitties at the SPCA of Central Florida and "Meow Marchers" are plum tucked out after the two month (extended for the re-launch of the Orlando Cat Room) 5th annual "Meow March" came to a close. They raised a total of \$8,589 for the cats and kittens and of course their new "temporary" home in Orlando!

Our four-footed "travelers", with the help of their human counterparts, created personalized webpages, and emailed irresistible appeals to friends and family far and wide. As support flowed in, our fundraisers received an insider look into the SPCA of Central Florida and it's many community programs – all without leaving the comfort of home!

We would like to take this time to congratulate our top three individual fundraisers: John Salas and his kitty "Liberty Belle" raised \$2,251 coming in first place for this year's march! April Hunt came in at second with \$1,150. And third place goes to Rebecca Peyton, raising \$550 for the cats and kitties. A great big thank you to all of our "Meow March" fundraisers and donors at this year's event! The homeless kitties in the

shelter love basking in the spotlight of "Meow March", and appreciate all of your generosity.

In fact, as Meow March came to a close, "Meow Marchers" were invited down for a grand re-opening of the cat room in Orlando! Guests were treated to cake & refreshments, cat treats by Pookie's Pet Nutrition and Bow Wow Bakery, and a glimpse at the new cat rooms!

In Orlando we now have two outdoor free roam rooms that connect to the indoor free roam rooms (you should see the kitty tubes! What? Kitty tubes? Never heard of those? Well stop on in and see for yourself!) We have brand new lush and lavish cat trees from Pet Tree Houses, LLC. And lots of one-on-one interaction areas for new adopters. Of course none of this is as great as a new home, so tell your friends, family and folks you love to come down and adopt today!

And don't forget to mark your calendar and join us for our 6th annual "Meow March" in 2012, March 1st through the 31st. See you soon!

THINGS TO REMEMBER:

- Clinic services are available for the pet of any person regardless of County of residence.
- General vet care services are available only for spayed/neutered animals or those with a medical deferment.
- Pets must be at least 3 months of age or 3 pounds for spay/neuter surgeries.
- Only healthy animals should undergo surgery. If your animal is not feeling well (sneezing, vomiting, diarrhea, etc.), please reschedule your appointment.
- When entering or leaving our clinics, for safety's sake, all cats must be in a pet carrier and dogs on a secure leash.
- SPCA of Central Florida Society members receive a discount on general vet services (**excluding** the spay/neuter surgeries).
- SPCA members must present their current year membership card at check-in time to receive the lowest cost general vet services.
 - Membership cards are not transferable.
 - Membership in other humane organizations will not apply for our Clinics' discounts.
 - Non-members may use the low-cost medical clinics, but please note the fees charged to non-members will be higher than those charged to SPCA members.
- Ask about our special senior citizens' (65 years of age or older) discount for wellness services only.
- Because of the high-volume of phone calls received by the Medical Clinics, you may reach voice mail when you call the numbers listed above.
 - If this is the case, please leave a detailed message on the voice mail.
 - The message should include your name, a daytime phone number, the time when you will be available for a callback, the reason for your call, and when you hope to schedule an appointment.
 - The staff are committed to providing you with excellent service. Your thoughtful use of voice mail will help in this process.
- You may pay by cash, check, debit, Discover, Visa or Mastercard.
- There is a \$10 charge for "no shows" or for cancellations with less than 24 hours notice.
- Full payment is expected at the time of service.

SPAY/NEUTER SURGERY COSTS

- Because of the risk of contagion to other animals, proof of recent feline aids/feline leukemia tests is required at the time of surgery or clients may have their **cats** tested at our clinic on the day of surgery at an additional charge.
- Proof of **dog's** recent heartworm test or testing at clinic on the day of surgery, for an additional charge, is highly recommended.
- There will be additional charges for complications such as pregnancy, obesity, age, undescended testicles, etc.
- There will be additional charges for post-operative pain medication and e-collar if needed.
- Pets 5 years of age or older must have a blood test before surgery (super chem CBC - \$37.50 - \$67.25) per our vets' requirement to help determine the overall health of the pet.
 - Pets 5 years of age or older will first come in for a pre-surgery consult (\$25). A pet this age is considered a geriatric animal, and SPCA vets will first perform an exam to determine the overall risk to the pet of performing the surgery.
- Pets under 5 years of age have the option of having blood work done, but it is not required.
- According to County Code, all pets must be vaccinated against rabies. Pet owners must bring with them documentation of rabies vaccination or have their pets receive a rabies vaccination on the day of surgery.

FIND THE MAGIC OF GIVING BACK!

Saturday, August 27, 2011

Since 2006, Macy's Shop For A Cause Event has partnered with non-profit organizations nationwide to raise more than \$38 million for their ongoing charitable efforts. This is your chance to be part of this monumental event on Saturday, August 27, 2011.

Shop For A Cause gives you the opportunity to give back to your community and to help our organization. Purchase a \$5 Shopping Pass* for exclusive savings in every Macy's store and online at macys.com on Saturday, August 27th, and we keep 100% of the proceeds. Plus, you can enter to win a \$500 Macy's Gift Card.

Find the magic of giving back, as Macy's celebrates a national day of support for our community.

*Some exclusions and restrictions apply. For more information or to purchase a pass contact Robin, 407-248-1758.

We Get By with the Help of Our Friends

Special Thanks to Mossy Oak Fence (www.mossyokfences.com) and Forever Lawn K9Grass (www.foreverlawn.com) for their work - and great discounts - on our new outdoor get acquainted areas for shelter dogs, at our Sanford location.

Special Thanks to Aaron Hoefen, General Manager, Residence Inn Orlando SeaWorld International Center, and all of the team members of the Residence Inn Culture Council of Central Florida.

These terrific folks worked and sweated clearing land at our Sanford location as we create a "nature walk" for our shelter dogs. In addition, they built beautiful dog houses, a few of which might still be available for sale. If you are interested, call Ryan at 407-936-3308, or email ryan@orlandopets.org for more information.

Special Thanks to Karina Pastrana and Happy Paws Pet Resort (www.HappyPawsOrlando.com) for sponsoring a fundraiser, called "Spring, Splash, and Shout". This fun event for dogs raised \$1,200 to help our shelter pets.

HAPPY TAILS

Barbara,

My husband and I would like you to know what a wonderful addition to our family "Daisy" turned out to be. We adopted her on June 26, 2010 (#165759). She loves everyone from our cats to other dogs, and from adults to children. She is also sensitive to people with disabilities. She is still a "puppy" at three years old, but as she matures I do believe she would make a good therapy dog.

Daisy did need a lot of training to make her the well-behaved pet she is today, but it was all worth it. She is a smart dog, and she learns quickly. As a matter of fact, it didn't take her long to learn the special ring tones my husband and I have on our cell phones for each other. Don will call me when he's on his way home, and Daisy will perk her ears and go wait by the door for him.

I could go on and on about Daisy's good qualities, her disposition, and yes, even her sense of humor, but I think you get the picture that Daisy is loved and well-taken care of.

We would like to thank you for allowing us the opportunity to adopt Daisy from your agency.

Sincerely,
Cyndy Georgeff

Barbara,

Remember the good friend who had her brother-in-law in and adopted a cat a few weeks ago here? Her daughter just adopted another "great cat," CiCi, in Seminole on Saturday. Thought you would like to see these pictures. She was very complimentary about how they were treated.

Paul

To SPCA,

Just sending you a couple of snapshots to show you how two of your cats are doing now.

ChaCha is the black and white. **ChiChi** is the littler one. Both are happy and healthy; both sleep with me. ChiChi has learned how to tell me she wants a can of food. Love both very much.

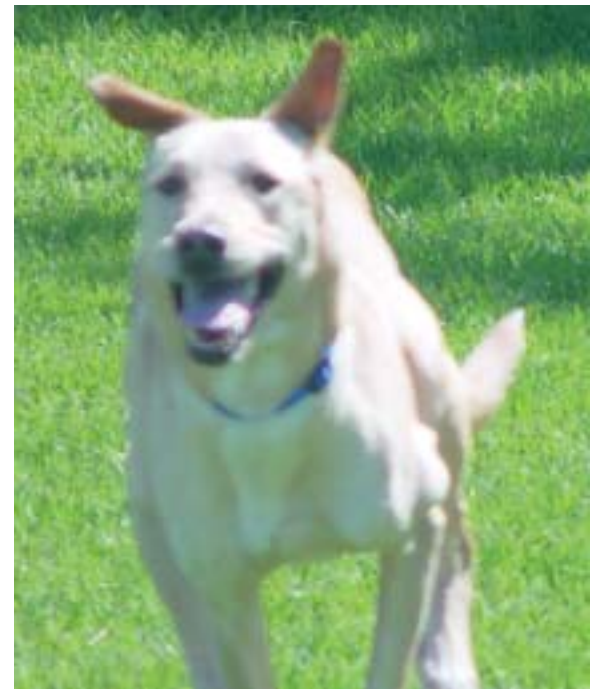

Susan Ames

Hi Diane,

I adopted **Jackson** from the Orlando SPCA Saturday. He had been there since March and I think the staff there was quite fond of him. I can see why.† I thought they'd like to see his first trip to the dog park today. He met a new friend and got to let the greyhound out in him. Please share with them

Thank you,
Brenda Eppenstiner

To SPCA of Central Florida,

I was looking to adopt a female cat. I was told the SPCA was a good place to check into adoption. I've had dogs before, but never a cat, so I needed some guidance. The staff was very knowledgeable in answering my questions. They walked me to the area where they keep the cats, and I was able to take my time and see the cats available in the cages. When I saw the one I liked, the assistant placed me in a small enclosed area where I could play and interact with the cat to see how we got along.

My cat, **Goldie**, was very friendly, and I liked her right

away. I didn't want to play with any other cats I liked her so much. Once I decided to adopt her, I filled out some forms and paid a reasonable fee. They kept the cat for 24 hours to do the required surgery, and I was told to come back the next day, and she would be ready to take home.

I also purchased a cat carrier which they had on display in their lobby with other pet supplies at reasonable prices. They told me I could bring the cat back to their veterinarian within the next 14 days for a free follow-up. They also gave me a book and DVD on caring for my cat, and it was very helpful since I was a first time cat owner.

I was told the cat would hide for a couple of days because of the new surroundings and also recovering from the surgery, and Goldie did exactly that. But after a couple of days, she did come around and started acting like a normal, healthy cat. She is a lot of fun, and I play with her quite a bit. I call her my "fur Alarm Clock" because she will wake me up by jumping on me in bed if I sleep too late in the morning as she wants to be fed.

So I am very pleased with my new cat, and my experience with the SPCA was a very good one, and I would recommend your agency to anyone looking to adopt a pet.

Tom Tierney

Hi all,

I thought I would send a couple recent pictures of **Snuffles and Bella** that I got at SPCA. They're doing well!

Mike Pooler

Good Afternoon Diane,

I know that I've posted probably a thousand times about my baby girl, but I just can't talk enough about her. I adopted **Alexandria (aka Alex)** back in mid-October (2010) from your Orlando shelter when she was just 4 1/2 months old. She was a timid little shepherd/husky mix, and she was in a cage with one of her sisters. I'd been told that three of them came in together, after being left behind by their owner, and that the larger sister had been adopted but these two remained. Although she looked a little funny, I fell in love with her heart.

It took a while for her to open up to myself and others, but now she's the star of our local pet store. She's already learned how to sit, lie down, roll over, and give a high-five. My veterinarian never expected her to be more than 40lbs, and now she's 52lbs and growing. She's almost a year old now and doing great.

I couldn't ask for a better companion than my Alex. In fact, I am now a volunteer for the SPCA of Central Florida, partly because of my passion for helping animals, but I will admit partly because of the joy this pup has brought me (and the hopes that pups like her can find forever homes)!

Thanks, SPCA, for everything.
Lauren Fitzgerald

My Summer Vacation

By Maddie Ehlinger

My new people took me with them on vacation this year. They put my beachy collar on with my pet finder I.D tag, squirted me with Front-line, and loaded me into a large canvas crate complete with a kitty box, my "Sci Di" and water bowl. As you can see, I love to stretch out and sleep on my back. My people looked like they were a bit crowded but I sure had plenty of room! Our first stop was Jekyll Island Campground (did I mention that my people have a travel trailer?) . We had a really cool campsite with lots of trees

and.....squirrels! I have never seen so many squirrels before. I spent the day chattering at them while my people toured the island. They visited the Jekyll Island Museum, the Sea Turtle Center where they rescue and rehabilitate turtles, checked out the beach, and the historic Jekyll Island Club.

The next stop on our journey was Hilton Head Island. I travelled in my regular cat carrier since this was a short trip. We "camped" at the Hilton Head Harbor RV Resort. My people picked a site that had a bird feeder right outside my favorite window! I saw lots of brown thrashers and house finches. My people toured Savannah, Charleston and Hilton Head during the day while I watched the birds and of course, took many naps. My favorite napping spot was in the closet in the bedroom. Slippers sure are nice to sleep on!

We're back home now, but I can't wait until the next adventure! Yawn.....

Dear SPCA,

I adopted **Hunter** on Saturday morning. I am crazy in love with this dog. I had lost a pet in August after 16 years, and this sweet boy is such a welcome addition! I couldn't be happier with him. And from the look of things, he's pretty happy too! He adjusted in about 10 minutes!

Thank you for the work you do there.
Kira Luz

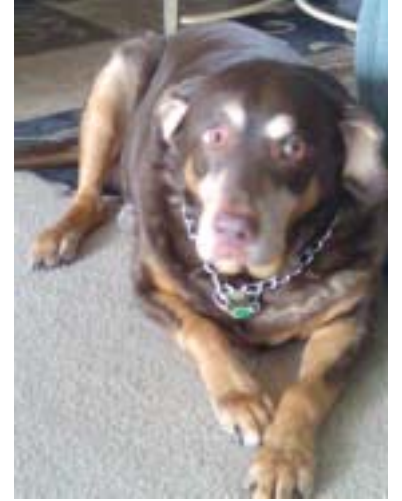

Diane,

Getting back with you regarding **Dozer**. To this day he is a much loved member of our family. He gets along well with our other 2 rescue dogs. The only basic commands he doesn't know is "Heel" and "Stay" because he loves to be by my side (a Momma's Boy). He no longer has dry skin and loves to have his butt and tail petted. He is still very friendly and is very protective of me, although he is afraid of loud noises.

He loves car rides, no matter where he goes. At 105# he is able to jump a 2' kid gate with no problem, and if it is taller he will go through it. Still very much an inside dog. Still very sweet. He is fed twice a day, and at these times he will start talking to you to feed him.

Attached you will find some pictures of Dozer, our Chow/Beagle mix, Blue, and Duchess, our Shep/Husky mix.

Thanks,
Beth and Jim

Dear SPCA,

Thank you for our beloved and spoiled Dachshund, **Murphy (formerly Hershey)**. He came to you on 5/20/11. He became part of our family three days later. He goes to work with Mom as a therapy dog for kids with autism and spends time playing.

FurBall 2011 to the Max!

This year's 20th Annual "FurBall" for the SPCA of Central Florida, THE largest and grandest auction in Orlando, raised \$160,000 for the homeless animals!

With the theme of *Mustaches, Mullets, and Madonna: The 80's Totally Rule!* we had guests dressed to the max and partying till dawn! FurBall took place at SeaWorld's Ports of Call, on Saturday, May 7th.

The VIP's hit the scene at 4:30 pm and enjoyed, casino games, a cocktail hour and a special performance by a talented Madonna look-a-like! They were even lucky enough to enjoy an up-close encounter or two with animals from SeaWorld. *(It was like sitting in the splash zone without the worry!)*

At 5:30 pm our general guests started arriving and were greeted by the SPCA of Central Florida's Pet Visitation Team Animals (these are the special dogs and cats that attend nursing homes, hospitals and treatment centers on behalf of our agency). After petting a pup or two, the doors opened onto the silent auction, and with over 300 silent auction items, there was something for everyone! Trips in-state, out of state, and restaurants galore! And since it was Mother's Day weekend, there was lovely jewelry for your Mom or Spa Services for the special lady in your life!

After putting in those final bids, guests were treated to an inside look at the SPCA of Central Florida and just one way we reach out to the community. Highlighted was Project F.A.I.T.H. - a program that allows those in emergency situations and domestic abuse to provide temporary shelter and care for their animals while they get back on their feet. Also highlighted was our Pet Food Xpress Program, which provides food and medical care to the four footed family members of our seniors in need. It's amazing to learn and see that we are so much more than an animal shelter... *we are your full service animal welfare agency in your community!*

Live auction featured trips, dinners and excursions, of course... but the hot ticketed item

year after year, is the cover of our annual calendar! Donna Miller with Le Papparazzi is the photographer for this year's calendar, and we are so excited to see what she has in store for 2012!

Guests then went to a private SeaWorld Show, and came back for a grand finale of desserts, Let's Make a Deal Game Show and raffle prizes. Wow! And of course... all good things must come to an end... and it did...but all in all, it was a fantastic tribute to the 80's!

Of course we cannot finish telling you about an amazing event, without thanking those that were involved!

A great big thank you to the SPCA of Central Florida's Board of Directors and to the Orlando business community! With the largest silent auction in Central Florida, we would not have an event without auction items! Thank you! Thank you! Thank you!

Thank you to General Projection Systems our one and only "An Officer and a Gentleman" Sponsor, our "Caddy Shack" Sponsors and of course our media supporters: WFTV 9 Family Connections, WDBO AM 580, and WMMO 98.9 - you helped make our bottom line bigger and better!

And to the SPCA staff, our caring volunteers who assisted that night and to SeaWorld Orlando who helped us to make 2011 a grand success, we thank you for giving your all and keeping the energy going till the very end!

The party might be over for 2011 and for the 80's but it's not too late to mark your calendar now... Saturday, May 5th, 2012, with a theme and date of Cinco de Mayo, it will be a festival for everyone! Ole!

Surprising Cat Facts - 10 Things You Don't Know About Your Favorite Feline

By Darlene Arden (Subscribe to Darlene Arden's posts)

Award-winning author Darlene Arden is a Certified Animal Behavior Consultant. Her newest book is "The Complete Cat's Meow."

After spending years with your cat, you may think you know everything there is to know about her. But here are 10 things that your favorite feline may not have gotten around to sharing with you.

1. A domestic cat can run about 31 mph. Running fast is something usually attributed to wild cats, gazelles and greyhounds, but your house kitty is pretty speedy.
2. It is possible for every kitten in a litter to have a different father. Hopefully, she is spayed so there's no risk of an unexpected pregnancy.
3. Cats walk on their toes, which probably accounts for their graceful movements. In ballet there is a step called *pas de chat* — the cat step. It's a little jump to the side, but in truth nearly every move your cat makes is lovely.
4. A cat's collarbone isn't connected to his other bones; it's buried in the muscles, which is how kitty can fit through small places. He's not boneless — even though it looks that way sometimes — but he is adaptable. A cat actually has more bones than a human.
5. Your cat will respond only to catnip (an herb in the mint family) if she has the catnip gene. Not every cat is born with this gene, and it doesn't show up right away, so don't expect a young kitty to respond to catnip the way an older one will.
6. Thirty-two muscles control a cat's outer ear, and he can rotate it 10 times faster than a dog. In fact, kitty can rotate each ear 180 degrees.
7. Cats have scent glands in their cheeks, so if your cat rubs against you she is "marking" you as hers. She really does love you. She'll also mark furniture and clothing this way. Everything she likes is hers. It's also her way of leaving her "mark" to say that she was there.
8. Cats can move their jaws only up and down; they can't move them side to side like a dog or human.
9. Cats whiskers are extremely sensitive. They not only help the cat locate where she is in the dark, but how the cat moves them is an indicator of the cat's feelings at any given time. The top two rows of whiskers can move independently of the bottom two rows.
10. Cats are obligate carnivores. This means they must eat meat. So even if you're a vegetarian, you need to come to grips with the fact that your cat can't be. He will get very sick and die without meat in his diet.

As you probably already know, spending time learning more about your cat is time well spent. In fact, these cat facts are just the tip of the iceberg. Your cat has much more to tell you if you pay attention, watch and learn. As the late Ernest Hemingway said, "A cat has absolute emotional honesty: human beings, for one reason or another, may hide their feelings, but a cat does not."

8 Things Friends Don't Understand About My Relationship With My Pets

By Amy D. Shojai (Subscribe to Amy D. Shojai's posts)

Amy D. Shojai is a certified animal behavior consultant and the award-winning author of 23 pet care books, including "Complete Kitten Care" and "Complete Care for Your Aging Dog."

We love to talk about our cats and dogs, show off cute pictures and brag how smart and clever our pets are. Even when we complain about stepping barefoot on nasty hairballs or cleaning up puppy potty accidents, we do so with affection. But unless friends share our furry passion, dog and cat conversations often raise eyebrows or spark disbelief about our pet devotion. Here are eight things friends often don't "get" about our relationship with our cats and dogs.

1. **No matter what, dogs have to be walked.** And though it may seem annoying to friends who want to party, a pet's toilet needs trump a never-ending night on the town. Petless friends don't understand that walking the dog can't wait.

2. **Grooming is a health issue and a household necessity.** Friends roll their eyes at talk of the poodle salon, kitty lion cuts and doggie sweaters because they don't understand that grooming isn't a luxury, it's a requirement. Keeping fur in good shape prevents painful matting, skin irritation and parasites. Brushing keeps fur off furniture. Sweaters protect dogs' nether regions from freezing. Hair bows and nail polish? Well, they are simply value added.

3. **My pets may not like you — and that's fine.** Sometimes the people and the animals we love have bad chemistry and don't get along. I hope you like each other, but it's enough that my dog and cat love me and that you love me. And I understand if you don't love my pets.

4. **Pets (OK, their owners) like when you give them gifts.** Friends sometimes don't understand why anyone would give a dog or cat a silver-plated food bowl when the pet would happily eat off a paper plate. And it is true, pets do have simple tastes. But really good friends understand that by indulging the animals in my life they are making me happy. Even if you don't get why my dog needs a monogrammed sweater, know that I will think of you every time I put it on him.

5. **Pets take priority in the household budget.** Petless friends don't always get why I'm willing to spend serious money to treat my dog's or cat's serious illness. They act offended that those funds aren't being spent on helping humans in need. But you really don't want to get me started. When my friends give up spending on pricey new golf clubs or shiny new cars, they can talk to me about what I choose to spend my money on.

6. **Some friends really don't get cat and dog shows.** They think they're silly beauty pageants and a waste of time. They don't get that competitions are social occasions with other people who appreciate dogs and cats the same way that I do. Dog performance competitions and even cat agility events reward pets for excelling at what they were meant to do.

7. **Dogs and cats are great listeners.** Friends offer well-meaning advice when I'm depressed, but my cat and dog simply listen. They don't judge my tears or rants. They love me despite smelly feet, bad hair days or dumb mistakes — and eagerly change my mood with silly games. Friends don't understand that just being with my cat or dog cheers me up when I'm sad, because a wagging tail or purr offers powerful emotional medicine.

8. **People without pets don't understand the depth of grief I feel when a pet dies.** A lost love deserves mourning that honors and respects that loss. Even if they've never experienced that level of connection with an animal, good friends support me through my grief. They listen to my tearful memories as long as it takes, because that's what I need.

We choose our friends because we enjoy their company, and we choose to share our lives with pets for the same reason. And hopefully, eventually, our good friends will begin to understand the place these animals have in our lives.

Amy D. Shojai also appears on Animal Planet's "Cats-101" and "Dogs-101" and lives in North Texas with a senior citizen Siamese and a smart-aleck German shepherd. Read her blog on Red Room.

Remembering . . .

Dear SPCA,

In 1997, I was a volunteer for the SPCA of Central Florida. A fellow volunteer suggested that I work with a rather skittish chow/shepherd mix named **Guffrey**. He learned to warm up to me, and I thought he was adorable. I showed him to everyone that I could, and some people seemed interested in him, but Guffrey seemed more interested in staying by my side. I was having dreams about him and cried to my husband-to-be that I had to have him. He relented, and Guffrey was to be ours.

When I brought him home, I unexpectedly learned that he was afraid of my fiancé, and since he had only been an outside dog, we could not persuade him to come back inside the house the first night. Eventually he understood that he was meant to stay inside the house and was even welcome to sleep on our bed since he kept eating his dog beds. We taught him how to play with toys and brought a trainer to the house to try to work on some of his fears. He always remained quite a chicken, but knew that at least he could trust our family. When we would take him for walks, and especially to Paws in the Park, everyone wanted to pet him because that thought he was so darn handsome, but he just back away – it was sad that something that would make most dogs happy, terrified him.

He had a rescued canine sister for most of his life and seemed to slow down once she passed. We adopted more sisters for him, but they just weren't the same according to him. This year he turned 14, and we were met with the ugly diagnosis of cancer in June. We did not want our beautiful boy to suffer, so he passed peacefully in my arms. I'm crying while I type this because I was blessed with such a wonderful gift that I knew would not last forever, but I am so grateful you rescued him for me to find and love. I've enclosed a picture of our beautiful Guffrey.

Sincerely,
Tracy Christie

Paul,

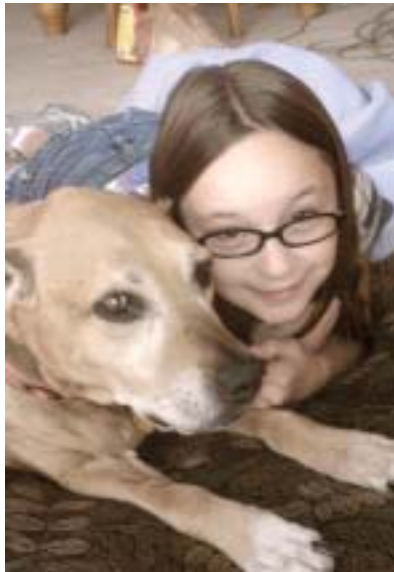

I just completed an electronic contribution in memory of my granddaughter's dog, **Kendall**, who recently passed away. Kendall was a Rhodesian Ridgeback who was adopted from a shelter in the late '90's and had been my granddaughter's, Kayleigh, faithful companion all of her life. On the day Kendall died, Kayleigh wrote this poem in her memory. Knowing the love of dogs that is shared by everyone in your organization, I wanted to share her tribute with you.

What are dogs?

Security blanket
They bark at any intruders
Slobbery mouths are good at giving kisses
Heavy bodies slam into guests
Tongues flap as they run in circles
Teeth snap shut
Tails slap little kids around
Big brown eyes stare at food that makes her drool
The shadow warding off things in your wake
Loving is what they are really are

That's what my dog is!

Dear SPCA Friends,

Kelly and I want to thank you all from the bottom of our hearts for your time with **Molly** and us. We know good people are involved in the SPCA, and you proved again by letting us sit with you and cry.

Molly passed over the Rainbow Bridge this morning and is free of the pain and cancer. Lexi & CC were there to meet her. We are full tears but are also blessed to have had all the love for all these years. We were proud to give back what little what we could to help with all that you do. Our hearts will always have her with us and her spirit is in the wind we are the lucky ones who have had the joy of being with her.

Again Thank You for all your support it really made our day to stop in and see everyone!

The photo was taken this morning - she gave me a big hug and kiss. . . .

Danny and Kelly
